

We, RAJ DEVELOPMENT CORPORATION, acting by and through Raj Natarajan, president, and Raj Natarajan Jr., vice president, being officers of RAJ DEVELOPMENT CORPORATION, owner (or owners) hereinafter referred to as Owners (whether one or more) of the 2.1330 ACRE tract described in the above and foregoing map of TRACES SEC 1 PARTIAL REPLAT NO 3, do hereby make and establish said subdivision and development plan of said property according to all lines, dedications, restrictions, and notations on said maps or plat, and hereby dedicate to the use of the public forever, all streets (except those streets designated as private streets or permanent access easements), alleys, parks, water courses, drains, easements, and public places shown thereon for the purposes and considerations therein expressed; and do hereby bind ourselves, our heirs, successors, or assigns to warrant and forever defend the title on the land so dedicated.

FURTHER, Owners have dedicated and by these presents do dedicate to the use of the public for public utility purpose forever unobstructed aerial easements. The aerial easements shall extend horizontally an additional eleven feet, six inches (11' 6") for ten feet (10' 0") perimeter ground easements or seven feet, six inches (7' 6") for fourteen feet (14' 0") perimeter ground easements or five feet, six inches (5' 6") for sixteen feet (16' 0") perimeter ground easements, from a plane sixteen feet (16' 0") above the ground level upward, located adjacent to and adjoining said public utility easements that are designated with aerial easements (U.E. and A.E.) as indicated and depicted hereon, whereby the aerial easement totals twenty one feet, six inches (21' 6") in width.

FURTHER, Owners have dedicated and by these presents do dedicate to the use of the public for public utility purpose forever unobstructed aerial easements. The aerial easements shall extend horizontally an additional ten feet (10' 0") for ten feet (10' 0") back-to-back ground easements or eight feet (8' 0") for fourteen feet (14' 0") back-to-back ground easements or seven feet (7' 0") for sixteen feet (16' 0") back-to-back ground easements, from a plane sixteen feet (16' 0") above the ground level upward, located adjacent to both sides and adjoining said public utility easements that are designated with aerial easements (U.E. and A.E.) as indicated and depicted hereon, whereby the aerial easement totals thirty feet (30' 0") in width.

FURTHER, Owners do hereby declare that all parcels of land designated as lots on this plat are originally intended for the construction of single family residential dwelling units thereon (or the placement of mobile home subdivision) and shall be restricted for same under the terms and conditions of such restrictions filed separately.

FURTHER, Owners do hereby covenant and agree that all of the property within the boundaries of this plat is hereby restricted to prevent the drainage of any septic tanks into any public or private street, permanent access easement, road or alley, or any drainage ditch, either directly or indirectly.

FURTHER, Owners do hereby dedicate to the public a strip of land fifteen (15) feet wide on each side of the center line of any and all bays, creeks, gullies, ravines, draws, sloughs, or other natural drainage courses located in said plat, as easements for drainage purposes, giving the City of Houston, Harris County, or any other governmental agency, the right to enter upon said easement at any and all times for the purpose of construction and maintenance of drainage facilities and structures.

FURTHER, Owners do hereby covenant and agree that all of the property within the boundaries of this plat and adjacent to any drainage easement, ditch, gully, creek or natural drainage ways shall hereby be restricted to keep such drainage ways and easements clear of fences, buildings, planting and other obstructions to the operations and maintenance of the drainage facility and that such obutting property shall not be permitted to drain directly into this easement except by means of an approved drainage structure.

FURTHER, Owners certify and covenant that they have complied with or will comply with existing Harris County Road Law, Section 31-C as amended by Chapter 514, Acts of 1973, 63rd Legislature and all other regulations heretofore on file with the Harris County Engineer and adopted by the Commissioners' Court of Harris County.

FURTHER, Owners hereby certify that this replat does not attempt to alter, amend, or remove any covenants or restrictions; we further certify that no portion of the preceding plat was limited by deed restriction to residential use for not more than two (2) residential units per lot.

IN TESTIMONY WHEREOF, the RAJ DEVELOPMENT CORPORATION has caused these presents to be signed by Raj Natarajan, its president, thereunto authorized, attested by Raj Natarajan Jr., its vice president, this 27 day of June, 2018.

- NOTES:
- Each lot shall be restricted to single family residential use.
 - Single family residential shall mean the use of a lot with one building designed for and containing not more than two separate units with facilities for living, sleeping, cooking, and eating therein. A lot upon which is located a freestanding building containing one dwelling unit and a detached secondary dwelling unit of not more than 900 square feet also shall be considered single family residential. A building that contains one dwelling unit on one lot that is connected by a party wall to another building containing one dwelling unit on an adjacent lot shall be single family residential.
 - Each lot shall provide a minimum of two off-street parking spaces per dwelling unit on each lot. In those instances where a secondary unit is provided only one additional space shall be provided.
 - The bearings shown hereon are grid bearings based on the Texas South Central Zone No. 4204 State Plane Grid Coordinates (NAD83).
 - The coordinates shown hereon are surface coordinates and may be brought to Texas South Central Zone No. 4204 State Plane Grid Coordinates (NAD83) by multiplying by the following combined scale factor 0.99992236783.
 - All lots shall have adequate wastewater collection service.
 - This plat requires compliance with landscaping requirements prior to occupancy of structures as mandated in Regulations of Harris County, Texas for the Approval and Acceptance of Infrastructure.
 - Absent written authorization by the affected utilities, all utility and aerial easements must be kept unobstructed from any non-utility improvements or obstructions by the property owner. Any unauthorized improvements or obstructions may be removed by any public utility at the property owner's expense. While wooden posts and paneled wooden fences along the perimeter and back-to-back easements and alongside rear lot lines are permitted, they too may be removed by public utilities at the property owner's expense should they be an obstruction. Public Utilities may put solid wooden posts and paneled wooden fences back up, but generally will not replace with new fencing.
 - Areas designated as compensating open space shall be restricted for the use of owners of property in and residents of the subdivision. Areas identified as compensating open space shall be owned, managed, and maintained under a binding agreement among the owners of property in the subdivision.
